

Join Biodynamic vintners, winemakers and producers from around the world for the first USA-based International Biodynamic Wine Conference in San Francisco CA!

Demeter USA is thrilled to announce the first International Biodynamic Wine Conference in the United States. Join more than 60 wineries, 250 trade guests, and 400 consumers for two exciting days of Biodynamic education and celebration. We invite you to show your solidarity and support with a sponsorship package including farm-to-table dinner tickets, Demeter Rocks! party passes, and so much more. Be an integral part of our conference success through your sponsorship participation, and benefit from the incredible exposure of your winery/vineyard to other equally enthusiastic Biodynamic farmers, producers, and consumers.
